This book is an invaluable resource to any person who wants to sing. Not only did I learn practical vocal exercises, but incredible encouragement and perspective. One of the most difficult obstacles to overcome in my singing has been to embrace my true voice. Matt writes with a personal style that offers a direct and clear path to finding one's own voice. This book is a must read!

Rachel Smith ★★★★★

Matt Ramsey helps singers discover their authentic voice through world-class technique and personalized development. As the founder of *Ramsey Voice Studio* and bestselling author, Matt has helped over 2,000 students find their unique vocal style across every genre of music.

Signature Presentations

"Vocal Technique for All"

Demystify the art of singing through clear, accessible vocal techniques and exercises that create immediate improvements for singers at any level.

"Unlocking Your Full Vocal Range"

Master the secrets of chest voice, head voice, and mixed voice to double your vocal range and unleash your true potential as a singer.

"From Imitation to Originality"

A revolutionary approach to developing your unique vocal style through proven, step-by-step techniques that transform singers from imitators to original artists.

Presentation Formats

Breakout Session — 30 min

A focused, high-energy session targeting specific vocal techniques and breakthroughs. Ideal for conferences and multi-speaker events.

Keynote | Workshop — 60 min

An in-depth exploration of vocal development, including live demonstrations, interactive exercises, and comprehensive techniques for finding your authentic voice. Perfect for conferences and major events.

Extended Masterclass — 90 min

An intensive, hands-on workshop where participants receive personalized guidance and practical experience with advanced vocal techniques.

Introduction to Singing Harmonies feat. Matt Ramsey & Mallory Hoernig

What Others Are Saying

"Matt has an almost supernatural ability to help people feel more at ease during challenging situations... His kindness, supportive encouragement, and even humor somehow combine to make the nerves much more manageable."

Bonnie Cline | Singer

"What is awesome about Matt is that he has a way of explaining things that makes it all seem easy. He is not only the most encouraging teacher, but also a genuinely nice person."

Fiza Brakel | Singer

"After just one hour with Matt, I expanded my vocal range by seven notes. I'm able to go to the high B now... I think this is my NEW range!"

David Stewart | Singer Songwriter
