

WORLD VOICE DAY WEBINAR

Debunking Vocal Health Myths

Wednesday, April 16, 2025

12 pm Eastern Time (US and Canada)

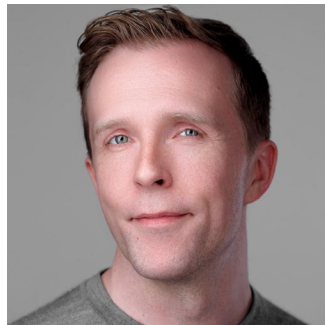

You are invited to the NYU Langone Voice Center World Voice Day Celebration, featuring members of the NYU Langone Voice and Swallowing Center discussing common vocal health myths. Join us for an enlightening session, explore the evidence behind vocal health, and participate in a Q&A where we welcome your questions!
